FROM BURKE'S PRETTY CAPITOL. Our Morganton correspondent under date of the 4th writes :

The last of our winter visitors have nnection with the rubber industry. Sum-

othic roof put on their church, and will supplied by the superior quality of the grain.

It is pleasant to read the discussions now published in the Cruz as among the grain. me, and is giving daily receptions.

PROF. W. C. KERE. We re-publish the following from the Charlotte Home-Democrat with regret. feeling with which they are expresse We have known Prof. Kerr for many years and valued him very highly. His at last induced the farmer "to speak out services to the State have been vast and valuable, not fully appreciated because he need more information and by "giving Will be published every evening (ex- was not able to compress the work of a our experience," we can at least profit cept Sunday) at the following rates— life time into the compass of the career of Citizen is cosmopolitan in its character, tention. A letter to us from him written 1 50 from Florida gave us intimation of failing 50 health. We were not prepared to think the end was so near.

The Home-Democrat says: "We regret to learn that Prof. W. C. Kerr is serionsly ill at Durham. His disease is consumption, and when we saw him a few months ago we feared he would not live long. Prof. Kerr was State Geologist for a number of years, and as such did a great deal to show to the public the mineral resources of North Carolina. He has done much valuable work for his native State. Bob Burdette says the best place on a daily newspaper is vice-president of a national bank. About right, Bob.

> IFor the DAILY CITIZEN. SUGGESTION WHICH WE AP-PRECIATE.

in some trouble owing to the hard times, well. liam Black, will come to the Encamp- and I suppose to the indulgence given to It is not unusual to see bits of news ment with 50 men in ranks. There will subscribers. I would suggest a plan by culled from the different papers of the be not less than 1,000 of the "sojer boys" which I think you can be relieved and which I think you can be relieved, and in advance at once, and anyhow before the festival at the Buncombe Warehouse first of August. The CITIZEN has become largely benefitted as it deserved to be, While I do not endorse your entire course viz: the raising of funds to complete the I must say in the main, I do. The CITIZEN A. M. E. Zion church. The Asheville has done more for the building up of our internal improvements and encouraging the general building up of our western o'clock, which lasted 5 minutes, over one-tenth of an inch of water fell, or baro-tenth of an inch of water fell, or baro-

tainly keeping up with the times. I have been a subscriber to the CITIZEN for several years, and to the daily since its com-mencement, paying for it at the end of each month. Encloseed please find six dollars, the price of your daily for one year, and I do hope the patrons of the CITIZEN will respond at once and let you gentlemen give us an independent, self-sustain-ing paper, ever advocating the interest of

entire section and State. Respectfully, SUBSCRIBER.

WAYNESVILLE AND ASHEVILLE. The following from the Waynesville News is so gracefully said we copy to approve, except as to one sentence, that also been ordered at Beech, on Reems hundreds of the people of Asheville "sneer at and look down upon" that people and section. This is totally untrue, for never in all our existence here The CITIZEN always takes pleasure in have we ever heard anything from any speaking of good work in this section, of our people, of such a character in refspecially when done by our own me-erence to Waynesville or Haywood, or chanics and workmen. A piece of brick any other county. We think it due to work, repairing a walk and arranging the say this much. Otherwise we apprecidrain thereto, done by Mr. F. R. McIn- ate the article below and reciprocate tire, at the residence of Mrs. E. Sluder, fully, not only for the CITIZEN, but all

"Truth compels us to say that the Advance and Citizen have uniformly treated our town, its people and enterprises with great kindness, for which we are grateful, but it is also true that a majority of the people of Asheville have, for years been disposed to sneer at and look down upon our town and people. There are honorable exceptions, of course, but hun-dreds of them, who never visit our town or county, are blind to the beauties, attractions and advantages of any other tractions and advantages of any other section save their own. These people talk, write and feel this, while near by are Transylvania, Henderson, Madison and Haywood counties, any one of which is far superior to Buncombe as to natural attractions. Still Buncombe is as beautiful as the home of the Fairies—her people are educated, elegant and hospitable and we have no disposition, whatever, to misstate, undervalue, or deride.

We concede many beauties attractions

ASHEVILLE, N. C., MONDAY EVENING, JULY 6, 1885.

BREVARD, N. C., July 2, 1885. Messrs. Editors :- After heavy and continuous rains we are now enjoying sunshine. The Secretary of the weather winged their way back to their Northern must be on a "lark," for last week, "Joe homes, consisting of Mr. Goodyear and Roby" reports balls of fire being tossed tural History in the University at Lewisaround Hendersonville; this week he must be handling icebergs rather carelessly. The prospect for a fine yield of corn was never better in this county. Eloqutionist. There is great earnest the oat crop is unusually promising. family, of Boston, a name well known in around Hendersonville; this week he must be handing receigs failed the special of the s C. Rail Read, and family are also here, rye. In quantity this crop will be short, esides others.

The Presbyterians have had a handsome but this deficiency will be somewhat

now published in the Critical among the good people of Buncombe in regard to the stock law and kindred subjects. It is the more gratifying because of the evident honest differences, the kindly We congratulate the Crrizen that it has in the meetin'." We hope they will conthe average politician. When he is gone, we hope our Eastern and Piedmont his loss will then force itself on public attheir varied experience with the differ-

ent commercial fertilizers, soiling, &c., &c. The discussion of your stock law elicited this remark from a prominent gentleman of this county a few days since: "I don't know how the law will operate in Buncombe, but I do know whereas in former years, we sent weekly supplies of beef and mutton to Greenville S. C.; now our sheep and cattle find no market there. Their butchers tell us it is because, since their State has adopted the stock law, that they can buy much bet-ter stock at home than we were accustomed to bring from the mountain

It is a source of very great gratification and pride to our county, as it will be to the entire State, to know that ex-Lt-Gov. Robinson has been assigned to a prominent position in the government.

A large and varied experience in publie life, a broad, comprehensive mind, a wonderful capacity for grasping details and rare executive ability, all combined We are pleased to announce that their little child, which was quite ill when they arrived, is now rapidly improving.

Messers. Editors of the Citizen:

Messers. Editors of the Citizen:

We are pleased to announce that their little child, which was quite ill when they arrived, is now rapidly improving.

Messers. Editors of the Citizen:

Will you allow me to make a suggestion with a suaviter in modo, mark him as a man of fine parts, and we are sure that to the patrons of your paper. I see from an advertisement in the Advance you are the company on Western Avenue all morning, but the large force with his hand yet red with his hand ye

usual to see an editorial copied verbatim Saturday the 4th was enjoyed by a large number of our people, our colored efficiency specially. The latter had a mounts from each one) to pay our year amounts from each one) to pay our year our year amounts from each one) to pay our year our year amounts from each one) to pay our year our year our year amounts from each one) to pay our year ou from the CITIZEN.

The Catholic views of the CITIZEN on situated in so sparsely settled a region the subject of journalism in the State, which can make a better showing than we read with very great interest. We will hail with delight the day when sectional bickerings shall cease and the press of this State become a homophone. and the burden of its song shall be the glory, honor, upbuilding of North Car-

NEW POST MASTERS. Changes in some of the big Offices.

WASHINGTON, July 6.

The President to-day appointed post masters in 8 cities to fill vacancies occurring by expiration of commissions and resignations; thirty-nine in cases for realleged causes was not deemed sufficient. Suspension at St. Paul, Neb., was made because he was found to have used over \$1,800 of public monies in his private business. Suspensions in one or two Two hundred strikers, several of Pin cases were made for personal misconduct and unfitness and others for partisansheriffs arrived at the Western Avenue ship. The following are among appointvice T. D. Duncan; commissions expired. men were on the ground. They were John T. Kilgore, at Long View, Texas, detailed from five precincts and were vice J. Y. Flannigan, resigned; Lealie F. Commanded by Capt. Ponnels. Cars. Brooks at Mobile, Ala., vice R. J. Slangh-Randolph and Lake streets. All of the streets named will be patrolled by police and every effort will be made to keep lettsburg, Ky., vice Jas. C. Wood, car tracks free of obstructions. The fire suspended; J. W. Fowlkes at Memphis, department has been instructed to be in Tenn, vice J. H. Smith, suspended; Chas. readiness in case of any disturbance, W. Burton at Lynchburg, vice R. P. W. when a liberal supply of water will be Morris, suspended; Wm. W. Herbert at showered upon any parties tending dis- Alexandria, Va., vice D. A. Mimdsor,

HORRIBLE MURDER AND ROBBERY.

RALEIGH, N. C., July 6. A special to the News-Observer from vigorous attack will be made and strikers will endeavor by every means in their power to prevent cars from running.

8:45 a. m.—Great crowds hang about the house of Finch. It is thought probable that the robbers became murderers to acreen themselves from detection; also reported this morning that one of believed to be several. The scene of the murder is only about a mile from that of the famous Gunter murder 18 months ago and 8 miles from Moncure.

Corea Watching Russia.

SHANGHAI, July 6. Recent actions on the part of Russia The Result of Fourth of July have given rise to suspicion that the Government contemplates interference with Integre of Corea. The Chinese One of the most disastrous fires that Government is much alarmed and is ever occurred in this section of the State taking measures to protect Corea and to took place at Stoughton yesterday, burn- defeat any movement which Russia ing ten out of thirteen large tobacco might make against her. Troops are be warehouses. The St. Paul depot and ing marched near Vladivostock and a about twenty freight cars, loaded with fleet consisting of all men of war availawheat and merchandise, causing a loss ble has been dispatched to watch the
